Annie's 12 years old in two more she'll be a whore
Nobody ever told her it's the wrong way
Don't be afraid with the quickness you get laid
for your family gets paid
It's the wrong way I gave her all that I had to give
I'm gonna make it hard to live
Big salty tears running down her chin
And it ruins up her make up
A cigarette pressed between her lips
But I'm staring at her tits
It's the wrong way
Strong if I can but I am only a man
So I take her to the can
The only family she ever had
Was her 7 horny brothers and her drunk-ass dad
He needed money so he put her on the street
Everything was going fine till the day that she met me
Happy are you sad, wanna shoot your dad
I'll do anything i can it's the wrong way
We talked all night and tried to make it right
Believe me shit was tight
It was the wrong way
So run away if you don't wanna stay
Cause I ain't here to make you
It's up to you what you really wanna do
Spend some time in america
Dub style so we ran away
And I'm sorry when I say that to this very day
It was the wrong way
She took a hike it don't matter it I like it or not
Cause she only wants the wrong way
