Whore, war is over
No one here got alive
War is over, no one
Here got out alive
Here me now!
Takin' it as far as ya
Begining the war now
Show me your
Causes for war. No more?
Begining the fight
RIGHT NOW!

This is the sound
That will make your mind
To realize no more unselfish
Helpful sacrifice no more indulgent
Mind for your your disguies
That is, what's goin' on here
This is the year
The year 2002 discriminated thousands
Try to take hope here try to refuse
To hear but their tear overflow,
Regrow the fear

Ecko, ecko hit the floor
You make me rise up to
the sky, when your(2*)
Ecko, ecko knocks the door
The darkness surrounds me
And I paralyze!

TRY, TRY, TRY, TRY!
TELL ME WHY, WHY. WHY, WHY!?
JUST ONE LITTLE USEFUL FIGHT,
WAY TO KEEP THEIR MANLY PRIDE!?

(Because)
This is a magical look in
Your eyes!(3*)

Now you baggin' for me later

Will laughin' at me,so give it
The fuck (away)
Later will laughin' at me but
Now you baggin' for me,so give it
Give it da fuck...

I cannot take this shit tomorrow
Shut da fuck up!
I cannot take this,I'm not narrow
Get da fuck!
Clasp your seatbelts genocide is
Still alive so run as far as your
Fart brings
No one here got out but I'm still
Alive so a little hope remains,yeah!
