When i was young You fed me -
Before I claimed Your name -
The words You softly told me -
Still in my heart today -

To think that I'm your favorite -
To think that I'm Your son -

My faith in You grows stronger -
Breeds deeper everyday -
To think that Your my father -
Your blood runs through my veins -

To hear You say " This ones mine" -
To hear You say "He's my son" -

I hear Your voice speak to me -
Even when I don't call -
I feel Your strength run through me -
Even when I've done wrong -

Pieces of You inside of us -
Inside our hearts burns Your love -
Pieces of You inside of me -
To think that I'm Your favorite -

Game of love - I'll play this game of love - I won't lose.
