You dreesin'like an angel
You look so beautiful
The best part of your body is down there between
Your legs honey
I love you
(prease me jesus,my lord)
do you want some pain
just scream but in vain
wings,bring me my yellow wings
i wanna do those things
i'm gonna do that all day all night
inside my heart you tic-tac,bring it back
i'm your princess,the only way to satisfie
is that you need?blow me,till i'm bleeding
with hands tied,filled with love,about to cry
ref:
Why don't you make me bag under your leg?!
(how could this be i can't pretend)
why don't you put me inside of your head?!
(and never set me free again)
why don't you make me bag under your leg?!
(how could this be i can't pretend)
why don't you put me inside of your head?!
And lie the world i'm gone and dead,yeah
Prease me jessus,my lord
Discreate things i'd like to do,i wanna stick my fuckin'
dick in you!
Stick my fuckin' dick in you!
I wanna grab your hair and shit on you!
Discreate things i'd like to do
i wanna lick your ass and spit on you!
I wanna feel the feelings you feel too
I wish a world deserved to die,ignore who we are!
Baby,you'll be my lady
Tried to be someone else
Our love ment to be like that at all
When you'll be gone i'm gonna be free,
But this freedom is a cage where i can't exist,can't be
free

I can't be half in a mind so i'll never gonna leave

you!!!!!!
No one ever told me that you're in me
No one ever told me that i will see
No one ever told me that this would be
No one ever told me that i could be
So free with you inside of me
"The Killer awoke before dawn
He put his boots on
He took a face from the ancient gallery
And he walked on down the hall
He went into a room where his sister lived
And then he paid a visit to his brother
And walked on down the hall (YEAH)
And he came to a door, where looked inside
And said
-Father!
-Yes, son?
-i want to kill you! Mother! I want to fuck you!"
ref
