Dock those ships
Aim is to protect your system
ignore the time
break those bricks

all your needs and dreams, go fight!

aerials broadcast some past
to reveal my loved ones

Let the slaughter begin!
Kill'em all, burn their skins,
or what ever covers 'em
I will launch the arms
free their sins
from their reptile souls

armada rally your armies
lons to be set in
rape the moon, annul the
dwellers that betrayed our holy progress.

Tread 'em out, brake'em down
Whet the blades, chop 'em down

-Navigator!
-Aye Sir!
-Hope you're enjoyin' the flight?!

with hope in his heart to settle ever after and
