I'm waking all alone
all is replete around me
(Glad to see you here again!)
Shudder shakes my bones
Are you still about and breathin' ?
Am I lost in love?
When it's concern all around me
will I feel your warmth
tranquilizingly

ref:

To the dream of you and me
to the field that constantly
rejuvenates the weight oneness
Take me away
To the home of "can't be free"
But the cage offsets me
with the comfort of your regard for me
(regard for me)

Stimulating fears are recovering
all these years
Imperfection of them,
triggering all these tears
Am I lost in love?
When it's concern all around me
will I feel your warmth
tranquilizingly

ref:

Are you awake?
Are you awake and dreaming?
Are you awake? Go dream about me!

Far away! I pray for a
better tomorrow!
Are you awake?
Go dream about me!
