This time yesterday,  
I thought I was gonna die,  
Standing at the edge,  
Of my ordinary life.  
Now I'm looking far ahead,  
I only see clear blue skies,  
I hope this feeling lasts,  
Until the end of the time.

[Bridge]

Now I don't see the things that bring me down, like I  
used to (no),  
There were times we felt like giving up, but we came  
through

[Chorus]

All this time, we've come a long long way,  
I waited a life time for today,  
I'm praying this moment's here to stay,  
All this time, when everyone else said I was wrong,  
You gave me a reason to be strong,  
You gave me the will to carry on,  
All this time

I kiss my moods away,  
Yesterday's far behind,  
All these clouds have died,  
A crater on my mind,  
I was looking far ahead,  
I'm looking with brand new eyes,  
Well, I can't see the future,  
But I know it's looking bright,

[Bridge 2]

Never thought we could survive, but we've come  
through (no),  
There were times we felt like giving up, but we held  
through

[Chorus]

All this time, we've come a long long way,  
I waited a life time for today,  
I'm praying this moment's here to stay,

All this time, when everyone else said I was wrong,  
You gave me a reason to be strong,  
You gave me the will to carry on,  
All this time

It's like a second chance at life,  
So many people passing by,  
And you know it's a shame,  
'Cause they can't believe,  
So they don't and they won't even try,  
With every battle that's been won,  
With every little thing I've done,  
But I couldn't see, it's not clear to me,

All this time, we've come a long long way,  
I waited a life time for today, I'm praying this moment's  
here to stay...

All this time, we've come a long long way,  
I waited a life time for today,  
I'm praying this moment's here to stay,  
All this time, when everyone else said I was wrong,  
You gave me a reason to be strong,  
You gave me the will to carry on,  
All this time
