I stand at the threshold of manæŠ̃ trampled throne
I walk through broken pieces of my godless soul
I lied to the savior and prayed for retribution
I defy my demise
I walk through broken pieces
I laughed at the altar and turned my back on love
Cursed my own existence, forgive me
I raped the spirit of all that was divine
Cold dark and wicked is all thatæŠ̃ left inside
My God
So help me God
My vile life
My dreadful side, so help me
God
IæŠ̃; back at the threshold of manæŠ̃ trampled throne
I walk through broken pieces of my fucking godless
soul
I lied to the savior and prayed
I defy my demise
So help me God
My vile life (I walk through broken pieces)
My dreadful side
So help me
