Lyrics by: Rory Winston

Never heard you praying for the lonely ones  
Are you counting on the sins I haven't done?  
I've settled for the thorns, leaving you the crown  
See me cry for you as I hit the ground

God is a girl, I'm sure  
A vengeful bitch with no uniform  
God is a girl

See me kneeling, dealing with your promises  
I keep hearing that ringing but ain't got a clue what I  
really did  
I've settled for the thorns, leaving you the crown  
Double-crossed and beaten, I ascend the mount

God is a girl, I'm sure  
A vengeful bitch with a sexy form  
God is a girl

God is a girl I'm sure  
A vengeful bitch with no uniform  
A vengeful bitch in a sexy form  
God is a girl
