Lyrics by: Rory Winston

You get so high going down
On any clown who sells you a dream
Seen you strutting the town
Feeling bad for the suckers you meet

You have both feet on a cloud
You tell of things that you ain't seen.
You're deaf and preach so loud
Another mother-... lives your scene

And you fake loving, make nothing
Shaking your fist
Fake loving, make nothing
Taking the piss
And all the jokes, Jo-co-coke
That you shared with me
Were a lie
... So am I... So am I

Your group of friends broke down
You kept prescribing them pills to steal
You said you love underground
Paid last respects in high heels

You love to hear your own sound
I've seen you sail on an acid sea
You swam until we all drowned
I'm still the mother-... you need!

And you fake loving, make nothing
Shaking your fist
Fake loving, make nothing
Taking the piss
And all the jokes, Jo-co-coke
That you shared with me
Were a lie
... So am I... So am I

A sad mother-... with needs

A bad mother... that breeds
She's a mother-... you see
She's a mother-... Just like...

Just a lie / So am I
