Lyrics by: Rory Winston

Ride the star
Laugh with me
My easy

Strip the beast
Twist or tease
Be sleazy
My easy

Reason finds a rhyme
In our wasted time

Hold my sound
Be my control
Love and provide me
An ear for my soul
To heal me from
The freedom that binds me

Lift the shackles that conspire
To unearth me
From this dumb painless dream that I live

Reason finds a rhyme
In our wasted time

Take me now
Hold my sound
Be my control
Love and provide me
An ear for my soul
To heal me from
The freedom that binds me

Reason finds a rhyme
In our wasted time

Take me now
Hold my sound

Be my control
Love and provide me
An ear for my soul
To heal me from
The freedom that binds me

Take me now
