I'm out in the rain again,
Goin' berserk over all the things she said.
But I can't read the note.
I tore that shit into a million shreds.
Ah, but the words still reign in my head.
Oh, the words still remain.

Oh, love will bring us down.
Our love will bring us down.

I noticed she's been listenin'
A lot to Joy Division lately.
And I noticed that darkness in her smile
And her eye reveals a song I wouldn't listen to

Deperation and sex,
I'd rather choose sun and boys.
Desperation and sex,
I'd rather choose sun and boys.

Yeah, love will bring us down.
Our love will bring us down.
Oh, love will bring us down.
Our love will bring us down.

Oh, love will bring us down.
Our love will bring us down.
Our love will bring us down.
Our love will bring us down.
