Any old chans I get I'm gonna marry you

Get my act together and start in school

Put deposit on a nice little flat

Get my financies together and show where it's at

Any old chans I get I'm gonna buy you stuff

A new garage for you to store your car

And a place for us to rehears

And what's worst is that you'll never see what I mean

Any old chans I get I'm gonna marry you

Get my act together and start in school

Put deposit on a nice little flat

Get my financies together and show where it's at

Marry me, marry me

Marry me, marry me

Marry me, why won't you

Marry me...

I want your love
