Noodles ar the smell of denial
And you will never grow up
Noodles are the smell of denial
Noodles are the smell of denial
Hey this bar, this room is full of danger
Empty hearts and totally dark strangers

Noodles ar the smell of denial
Noodles are the smell of denial
Noodles are the smell of denial
And you will never grow up
I heard that I got wasted on your party
Sleeping while your marry gang was doing careokee
In a sofa or a chair it doesn't matter

And there's a Falcon Crest sight to everything

Don't trust anyone or anything

Noodles ar the smell of denial

And you will never grow up

Noodles are the smell of denial

And you will never grow up

For every moment there's a downer

For every second there's an itch

That it's better to be alive than rich

Noodles ar the smell of denial

And you will never grow up

Noodles ar the smell of denial

Noodles ar the smell of denial
