On this rocky mountains

To play five songs and drink some more and fall
asleep

Getting taped by locals

Don't have the nerve to ask for food and die of thirst

In the backseats of rented wrecks

Let's hope this wheels got what it takes to care us home

Ba-ba-ba-ba-ba-ba-ba...

Backdrops made of denim

Teacher sailorman and the follow verses it brings

Single package systems

Saw DJ's and you know the riot that that brings

I wanna turn their dancefloors into a burning inferno of
Ba-Ba

I play the piano and I play the guitar

I've played it in clubs and I've played it in bars

I visit your city and I slept on your floors

I borrowed your swings and I've heard you're hardcore

On the scores of the C to the A and the youth of today

And it's beautiful

Still I can't get enough of it

Did you see me eating frosties from your fridge?

And the rice cookies you never ate

They're all gone with the wedding to the kitchen
