The trees are wild and undisputably beautiful today

You can see the squirrels on their beautiful parade

I was hitch-hiking above the clouds

We didn't see Ed Green's country band

The driver is a friend but we don't talk too much these days

The driver is a friend but we don't discuss much in this world

We followed the black lines to paris, I guess it's going that way

I guess it's going that way

Because it's the only way I'm going tonight

It's the only way I'm going!

It's the only way I'm going tonight

It's the only way I'm

I don't know what you've been told

But I'm gonna have some fun tonight

I don't know what you've been told

But I'm gonna have some fun tonight

I don't know what you've been told

But I'm gonna have some fun tonight

That silly night I did the macarena

With someone named carita

I woke up with sore lips and a belly full of cappuchino

Spilled french wine on my nineties chinos
