I've been lost, but now I'm found.
It's getting harder and harder for me to get above
ground.
Now I know where to be,
It's the place where I can let loose and go free

Whoa on my own.
Whoa on my own.

So many times i've looked to the sky,
Kicked off my shoes and closed my eyes
Well I know one place that's just for me...and that's
Waikiki.

You might think that I'm gone.
But the weird thing is I've been here all along.
Now I know it's not so bad, to have some dreams when
things get really sad.

Whoa on my own.
Whoa on my own.

So many times i've looked to the sky,
Kicked off my shoes and closed my eyes
Well I know one place that's just for me...and that's
Waikiki

Oh how I love my precious time machine.
Don't come in here my time machines on!
Wait, no, no ahhhh!!!

Whoa on my own.
Whoa on my own.

So many times we looked to the sky,
Kicked off my shoes and closed my eyes
Well I know one place that's just for me...and that's
Waikiki.

Whoa [21x]
In Waikiki
