Save me from my demons
Nevermore

I borrow time
I borrow time
To fall behind
From today
Yesterday
I'll lie down here where time stands still

Save me from my demons
Nevermore
I'll lie down here where time stands still
Save me from my demons
Nevermore

I'm wasting time
I'm wasting time
'Cause I don't mind
The escape
Bending shape
A false sense of security

Save me from my demons
Nevermore
I'll lie down here where time stands still
Save me from my demons
Nevermore
A false sense of security

Save me from my demons
Nevermore
Let me fall
I'm already gone
Save me from my demons
Nevermore

Save me from my demons
Nevermore

Save me from my demons

Nevermore
I'll lie down here where time stands still
Save me from my demons
Nevermore
A false sense of security

Save me from my demons
Nevermore
Let me fall
I'm already gone
Save me from my demons
Nevermore
Save me from my demons
Nevermore
