(I swear I'll never forgive you)  
I swear I'll never forgive you  
(For all the shit you said and did to me)  
For all the shit you said and did to me  
(I swear I'll never forgive you)  
I swear I'll never forgive you  
(I did it all for you)  
cause everything I did  
I did it all for you

I have to do what I have to do  
you're the one blessed with a choice  
I have to do what I have to do  
I was left with no other choice

Call on perfect dark  
of self deception  
I'll veil my heart  
I will call on perfect dark again  
Perfect dark  
Perfect dark

(I swear I'll never forget you)  
I swear I'll never forget you  
(You stole my heart then you threw it away)  
You stole my heart then you threw it away  
(I swear I'll never forget you)  
I swear I'll never, never forget you  
(You left me empty)  
You left me empty  
It's all you ever had

I have to do what I have to do  
you're the one blessed with a choice  
I have to do what I have to do  
I was left with no other choice

Call on perfect dark  
of self deception  
I'll veil my heart  
I will call on perfect dark again

Perfect dark  
Perfect dark

You're my perfect dark  
You know you are  
You're my perfect dark  
You know you are  
You're my perfect dark  
You know you are  
You're my perfect dark

Call on perfect dark  
of self deception  
I'll veil my heart  
I will call on perfect dark again  
Perfect dark  
Perfect dark

You're my perfect dark  
Yes you are  
You're my perfect dark  
You're my perfect dark

Perfect  
Perfect
