Gi-i-i-ive to me ye ye ye  
Give me something to make me feel  
There's something good inside you

Ta-a-a-alk to me ye ye ye  
Tell me whatever to make me happy  
Start would be better than nothing at all

I'll pick you up when you go down, always  
I'll pick you up when you go down, always

I wanna make you smile, always  
I wanna make you smile, always  
I wanna make you happy  
Nothing more, nothing more

I wanna make you smile, always  
I wanna make you smile, always  
I wanna make you happy  
Nothing more, nothing more

Bla bla bla bla bla  
I bet that's all you hear me say  
And pray that is enough  
So don't be mad at me for your sake  
I only wanna make you happy  
That must be better than nothing at all

I'll pick you up when you go down, always  
I'll pick you up when you go down, always

I wanna make you smile, always  
I wanna make you smile, always  
I wanna make you happy  
Nothing more, nothing more

I wanna make you smile, always  
I wanna make you smile, always  
I wanna make you happy  
Nothing more, nothing more
