[Ooh...]

Yo', baby, you ready to let the games begin

(Uh...uh...huh...)

[Ooh, baby]

Huh, 'cause I'm ready

(Yeah...hey, yeah, yeah, yeah, mmm)

Well, then mark, get set, here we go

Check it

Girl, I want you do stay

So we can play this little game we play

You go hide and I will seek

Let me be the one to make you weak [Yeah, baby]

Boy, I really want to stay

And play that little game you play [Come on]

But you go hide and let me seek

Let me be the one to make you weak

Ah, yeah

First verse

I'm thinkin' about you

Everyday

Got me feelin' kinda freaky

Girl, why you want to leave me that way

Boy, I don't want to leave you

So I'll stay for a little while

But we play by my rules

'Cause bein' loose just ain't my style, no, no, no, no

Girl, I want you do stay

So we can play this little game we play

You go hide and I will seek

Let me be the one to make you weak

Boy, I really want to stay

And play that little game you play

But you go hide and let me seek

Let me be the one to make you weak

Oh, so you know ride things (Mmm, hmm)
Well, that's cool with me
You better know what you're doin' (I know)
Girl, now my heart wants to believe (Woo...), come on

Talk is cheap [Yeah], let's get right to it [Ooh, baby]
Let the fun and games begin
Boy, I'm ready to do it

Girl, I want you do stay (I want to stay)
So we can play this little game we play (But we must
play it my way)
You go hide and I will seek
Let me be the one to make you weak

Boy, I really want to stay
And play that little game you play
But you go hide and let me seek
Let me be the one to make you weak

It's your move, baby [It's your move, baby]
So show me what you got [Show me what you got]
'Cause when it's my turn [?Cause when it's my turn]
The game is gonna get hot

I like what you're sayin'
Boy, it sounds real good, real good
But are you ready for a real woman
To test your manhood

This little game that we play [Yeah, baby, it's my game]
This little game that we play [But you gotta play by my
rules]
This little game that we play [Come on]
It's just a little game that we play [Just one lil'
game real quick, let's go]

Baby, don't start if you think you can't finish
'Cause you're bad if you think you're gonna win this
Give it your best shot [Yeah], give me all you've got
[Oh]
Guarantee to make you hot [Make me hot, baby, oh]
I want to play this game with you [I want to play this
game with you]
But don't be no fool [Yes, I do]
You've gotta play by my rules

Girl, I hope you do stay
So we can play this little game we play
You go hide and I will seek

Let me be the one to make you weak

Girl, I hope you do stay
So we can play this little game we play
You go hide and I will seek
Let me be the one to make you weak
