Process removes the inner sense of peace
Shatter the beast
Below the bull the market thrives
Uncontrolled, the charge of herds
Asphalt diminished when cattle feeds on greens
Pull the weight of many; demise for the adversary
Amortization
A culture adhered by zeros and ones
Margin
Return to the scene of your crimes, and thou shall be
denied
Return to the scene of your crimes, and thou shall be
denied
Off with their heads
Off with their heads
Off with their heads
The cattle led
Vapid swarm
Gluttony
Wall Street
Wall Street
