Here we come y'all, here we come

Come on, yeah

Here we come y'all, here we come

Pass the mic

Step aside and let me kick it

First you heard us sing

Now it's time for us to rip it

Time to show and prove

So watch these sisters catch?

But a different effect

Not comin' on hard, because we're smooth

(We're smooth)

Yeah, we're smooth

This goes out to all you playas and?

Tryin' to get close

Take me home and bend me over

I'm not the trick or your everyday skanksta

Baby break why?

'Cause sudden change don't need ya

You're pushing up and I'm shuttin' ya down

Pump the sound

[CHORUS]

(We're comin' on smooth)

(We're comin' on strong)

(Bring it on down)

(Hold that soft note long)

(Hip hop beat comin', goin')

(Well that'll get us sway, to it)

(This is what we have? around your body)

You thought you were smooth

But you couldn't jack my body

Call me crazy names

Said that I was actin' snotty

Now you understand that this sister can't be played

Baby, wake up and stop livin' in a masquerade

Don't fall on me when your prick is at attention

Oh, by the way, yeah

I thought that I should mention

Your tired ass lines, and you're always wonderin' why

(She keeps on passin' you by)

Don't need a man, if a man is out to get me

Wine me, dine me, take me home and try to stick me

Don't set the? because I'll be wreckin' your world

Good girl

[Repeat CHORUS]

Make way

Here comes the crazy rump shaker
Bringing you joy like my girl Anita Baker
Knockin' my boots
Well keep knockin' at my door fool
I'm slippin', trippin', and I'm rippin' up a new school
It takes a fool to learn that love don't love nobody
You played me like a game
Like I was some kind of hobby
You want my love and when you want it
Then you go
I can't believe you tried to play me?
I'm not the one you?
You slept on
Sudden changes are the best
Yo mic, bring the? rest
[Repeat CHORUS]
