

## Sudden Death

### "They Must Die"

Visit ["They Must Die"](#) on MotoLyrics.com

Marky Mark- (No talent sell-out punk.),  
Mall Survey People- (See: "Do You  
Piss in the Shower?"),  
Catherine Blossom- (She is the person at Toad's in  
New Haven who is responsible for booking acts.  
When "Weird Al" Yankovic came there we contacted  
her  
To try to get the gig opening for him. We were the  
Only group who wanted the gig. We were asking for  
Thirty minutes on stage, and told her we weren't  
Interested in getting paid. We just wanted to  
Perform. She didn't even have the professional  
Courtesy to call us back and say no. She just ignored  
Us and refused to return our calls. So on the night  
Of the show "Weird Al" played with no opening act)  
Fab 5 Freddy- (He was one of the judges at a rap  
Contest I was in several years ago. I was easily the  
Crowd's favorite to win, but he voted for an 11-year-  
Old-Vanilla-Ice-lookalike-Bart-Simpson soundalike-  
Pudster named MC Loud. It's not the fact that I lost  
That bothers me. It's that I lost to the worst of  
All the contestants.)  
Tipper Gore- (PMRC- The  
Pre-Menstrual Recording Communists),  
Wesley Crusher- (He just annoys me.),  
Michael Jackson- (Ditto)  
That Woman in the Sprint Ads- (Can you  
say...obnoxious?),  
Macaulay Culkin- (I used to work in a video store.  
You'd hate him too if you had to look at 400 pictures  
Of this little brat's face plastered all over the store.),  
Rush Limbaugh- (I think Da Other Asiatics said it best:  
"My rhymes are fat and stupid like Rush Limbaugh".)  
Hollywood Artists- (Hollywood Artists Record Company.  
They took my song "That's How I Like It" and totally  
Wrecked it. It has to be heard to be believed.  
That whole incident was a scam. I'll spare you  
The details. Never trust a record company that [as I  
Found out later] advertises in the National Enquirer.),  
Barney- (the fat, fascist, purple pedophile  
Is single-handedly giving parody a bad name.)
