Too little too late  
Don't you tell me how  
It used to be  
I've seen the record and it  
Clearly reads "To date:  
Too little too late"  
Too little too late  
Don't you talk about  
The way things was  
Bringing roses and  
Turtledoves don't rate  
Too little too late  
I should have known  
That it was now or  
Never but good things  
Come to those who wait  
When nothing came  
But the eleventh hour  
I said honey, I'm taking  
The liberty to  
Liberate myself  
Too little too late  
Then was then  
But honey, now is now  
If I don't call  
Then you can just  
Learn how to wait  
Too little too late
