In the high life, I've got this feeling now
I've got this horrible feeling
On the escalator they took it out on him
As the ridiculous world went...oh

Oh he is gone
He's my insatiable one
Oh he is gone
He's my insatiable one...oh

On the high wire, dressed in a leotard
There wobbles one hell of a retard
On the escalator
We shit paracetamol
As the ridiculous world goes...by

Oh he is gone
He's my insatiable one
Oh he is gone
He's my insatiable one
Oh he is gone
He's my insatiable one
Oh he is gone
And he was...my inflatable one
