Dripping as the world went by
Licking lollies in the sun
Melting like your sugar love, oh

Painting pictures in the grass
Peeking through the broken glass
Eating Starfruit on the street
But it never did taste sweet

You, you were my oxygen
You, were my winter sun
You, you were my only one
Oh, you, you were my oxygen
Oh, you

You, were my winter sun
You, you were my only one
Oh, you, you were my oxygen

Oh, you, you were my oxygen
You, were my winter sun
You, you were my only one
Oh, you, you were my oxygen
Oh, you

Oh, you
Oh, you
Oh, you

You were my oxygen
You were my oxygen
You were my oxygen
You were my oxygen
You...
