Because we're young because we're gone  
We'll take the tide's electric mind oh yeah? oh yeah  
We're so young and so gone let's chase the dragon oh

Because we're young because we're gone  
We'll scare the skies with tigers eyes oh yeah? oh yeah

We're so young and so gone let's chase the dragon oh  
Let's chase the dragon...

...from our home high in the city where the skyline  
Stained the snow I fell for a servant who kept me on the  
boil

We're so young and so gone, let's chase the dragon  
from our home!
