You're lusting for me like the posters on your wall
You're touching yourself but I rather be involved with
you
Create a sweet escape for you tonight
You've seen me in clothes but you rather see me bare
Naked on your bed while you're letting down your hair
Telling me you wanna give it to me like you dreamed
tonight
Girl I know how you feel cause I got that appeal
To make your body melt when you see me appear
The idol of a man you need and crave
The image of your fantasy
Cause I'm your

Sex Sex Sex Symbol [Repeat 4x]
(I'm your symbol Æ– symbol)
Sex Sex Sex Symbol
Symbolize the freak in you

What you need can become reality
What you want me to be? I'm right here

You picture me there like I'm sweating on the stage
Or in the magazine but I'm coming out the page for you
I'll shoot my motion picture with you tonight
You google my name when you search me on the web
You pulled up my picture got water running down your
leg
Don't fret I'm doing what you like to get it wet tonight
Girl I know how you feel cause I got that appeal
To make your body melt when you see me appear
The idol of a man you need and crave
The image of your fantasy
Cause I'm your

Sex Sex Sex Symbol [Repeat 4x]
(I'm your symbol Æ– symbol)
Sex Sex Sex Symbol
Symbolize the freak in you

Tell me what you wanna do

I symbolize the freak in you
You got me where you want me to
Do the things you came to do
[Repeat]
Girl you know I've got it
(I got that swagger and the sex appeal you want)
Gonna make your visions come to life
(I'm gonna make your visions come to life)
