Give me that expression
Every time we sexing
I can hardly see it
But tonight I need it
Every time I smack that
Every time I grab that
Love the way you bring it right back
When you let me beat, beat, beat it
Love the way you do it
Something how you move it
When you get your groove in
You get into
I wanna see you make love to me
Because a love this good
Was surely meant to be seen
Wanna watch your body
Dibble just dribble
Right there in the middle on me
Bouncing on me yeah
Wanna see you with the lights on
Watching how you make that masterpiece
(Won't you bring it back so I can get up on it)
Take it like a thief in the night record then I'm gone
(We gone)
Keep it rolling all through the night til we cracking the
dawn
(C'mon)
Shoot a motion picture starring you with the lights on

You can the lead in my sextape
It's okay, what you say?
Do it with the lights so we can see
Hit record, press replay
Repeat
Adlibs

You can take
(You can take)
You can take
(You can take)
You can take

(You can take)
The lead in my sextape
Repeat
