I fell in love again
All things go, all things go
Drove to Chicago
All things know, all things know
We sold our clothes to the state
I don't mind, I don't mind
I made a lot of mistakes
In my mind, in my mind

I drove to New York
In a van with my friend
We slept in parking lots
I don't mind, I don't mind
I was in love with the place
In my mind, in my mind
I made a lot of mistakes
In my mind, in my mind

You came to take us,
All things go, all things go
To recreate us
All things grow, all things grow
We had our mind set
All things know, all things know
You had to find it
All things go, all things go

All things go

If I was crying,
In the van with my friend
It was for freedom
From myself and from the land
I made a lot of mistakes
I made a lot of mistakes
I made a lot of mistakes
I made a lot of mistakes

You came to take us,
All things go, all things go
To recreate us

All things grow, all things grow
We had our mind set
All things know, all things know
You had to find it
All things go, all things go
