It never seems enough, baby  
When your head is full of stuff  
Then again you didn't go  
And thank God you didn't though

What's it gonna take, baby  
For two of us to make it  
Through this one  
Can we make it through this song?

Everything between us makes me glow  
But how could you know?  
Simple things bring simple pleasures  
That we know or maybe they didn't show

2 used, 2 means, 2 hearts, 2 please  
2 you, 2 me, 2 make totally  
2 mouths, 2 closed, 2 make all of those  
2 hearts, 2 believe, 2 love openly

Do you really wanna wait another day?  
'Coz everybody needs a little time to pay  
And after when the time is up  
Everybody doesn't always get their say  
Feels like a little price to pay then after we laugh it up

Everything about us makes me grow  
But how would you know?  
Simple things bring simple pleasures  
That we know  
Baby, it's time to show

2 used, 2 means, 2 hearts, 2 please  
2 you's, 2 me's, 2 make totally  
2 mouths, 2 closed, 2 make all of those  
2 hearts, 2 believe, 2 love openly

You're the must have  
You're the part I'm in your palm  
Love freely so really  
There's a call, where's it from?

Ooh ooh ooh  
Ooh ooh ooh

2 used, 2 means, 2 hearts, 2 please  
2 you's, 2 me's, 2 make totally  
2 mouths, 2 closed, 2 make all of those  
2 hearts, 2 believe, 2 love openly

2 used, 2 means, 2 hearts, 2 please  
2 you's, 2 me's, 2 make totally  
2 mouths, 2 closed, 2 make all of those  
2 hearts, 2 believe, 2 love openly
