It was so easy that night
Should've been strong, yeah I lied
Nobody gets me like you
Couldn't keep hold of you then
How could I know what you meant
There was nothing to compare to

I know everything changes
All the cities and faces
But I know how I feel about you
There's a mountain between us
But there's one thing I'm sure of
That I know how I feel about you

Can we bring yesterday back around
'Cause I know how I feel about you now
I was dumb, I was wrong, I let you down
But I know how I feel about you now

All that it takes, one more chance
Don't let our last kiss be our last
Give me tonight, and I'll show you

I know everything changes
I don't care where it takes us
'Cause I know how I feel about you

Can we bring yesterday back around
'Cause I know how I feel about you now
I was dumb, I was wrong, I let you down
But I know how I feel about you now

Not a day passed me by
Not a day passed me by
When I don't think about you
And there's no moving on
'Cause I know you're the one
And I can't be without you

Can we bring yesterday back around (yesterday back around)

'Cause I know how I feel about you now ('cause I know
how I feel about you now)
I was dumb, I was wrong, I let you down (I let you down)
But I know how I feel about you now (about you now)

Can we bring yesterday back around (can we bring
yesterday back around)
'Cause I know how I feel (how I feel) about you now
I was dumb, I was wrong (I was wrong), I let you down (I
let you down)
But I know how I feel about you now
But I know how I feel (how I feel) about you now
Yeah, I know how I feel
About you now
