Oh, oh
Oh yeah

I don't know how many times we've walked the streets
Talking for ages about the people we're gonna be
We've been waiting for a change
But I don't mind if you don't change, baby
Though it might seem crazy
But I'm happy with you this way

And don't you know that
You're a part of my heart
And these emotions that I got from the start
Are still with me, babe
And I'm tripping up over my words to say

No-one ever told me love could be this sweet
Breathing easy, breathing easy
This time we should be giving in

No-one ever told me love could be this sweet
Breathing easy, breathing easy

We talk about the places that we intend to be
But if we were there would you be you
And baby would I be me?
I don't wanna be somewhere and realize this feeling's
gone
I'm lost in these tenses, confusing my senses
Tomorrow is taking too long

And don't you know that
You're a part of my heart
And these emotions that I got from the start
Are still with me, babe
And I'm tripping up over my words to say

No-one ever told me love could be this sweet
Breathing easy, breathing easy
This time we should be giving in

No-one ever told me love could be this sweet

Breathing easy, breathing easy

If I was a little wiser maybe
I wouldn't leave this road 'cause I've been
Out of this moment too long
I gotta find my way home

No-one ever told me love could be this sweet
Breathing easy, breathing easy
This time we should be giving in

No-one ever told me love could be this sweet
Breathing easy, breathing
This time we should be giving in

No-one ever told me love could be this sweet
Breathing easy, breathing easy
This time we should be giving in

No-one ever told me love could be this sweet
Breathing easy, breathing easy
