i don't know how many times we walked the streets  
talking for ages about the people we gonna be. we've  
been waiting for a changebut i don't mind if it don't  
change baby though it might sound crazy cos im happy  
with you this way.

Don't you know that your a part of my heart and these  
emotions that i got from the start. are still with me babe  
and i'm trippin up on my words to say.

no one ever told me love could be this sweet. breathing  
easy.

breathing easy this time we should be giving in no one  
ever told me love could be this sweet breathing easy  
breathing easy

We talk about the places that we intend to be but if we  
were there would you be you and baby would i be me  
i don't want to be somewhere and realise this feelins  
gone i'm lost in these teses confused in my sense  
tomorrow is taking too long

[Bridge]

Don't you know that  
You're a part of my heart  
And these emotions that I got from the start  
Are still with me babe  
And I'm tripping up over my words to say

[Chorus]

No-one ever told me love could be this sweet [no-one  
ever told me]

Breathing easy [breathing easy] [so sweet]

Breathing easy [breathing easy] [so so sweet]

This time we should be giving in

No-one ever told me love could be this sweet [no one  
ever told me] [so sweet]

Breathing easy

Breathing, easy

If I was a little wiser maybe  
I wouldn't leave this road cos I've been  
Out of this moment too long  
I gotta find my way home

[Chorus]

No-one ever told me love could be this sweet [be so  
sweet]  
Breathing easy [I know]  
Breathing easy [I know this life's so sweet]  
This time we should be giving in  
No-one ever told me love could be this sweet [easy] [so  
sweet]  
Breathing easy [breathing easy] [I know]  
Breathing [breathing] [breathing] [no one ever told  
me]  
This time we should be giving in

[Chorus]  
No-one ever told me love could be this sweet [be so  
sweet]  
Breathing easy [breathing easy, hey]  
Breathing easy [breathing easy] [so sweet]  
This time we should be giving in [be this sweet]  
No-one ever told me love could be this sweet [so  
sweet]  
Breathing easy, breathing easy
