Engines running high, baby
Can you come and check it?
Got such a pretty kitty, boy
I know you wanna pet it

The weather's is nice and wet
Just south of the border
I can cook up anything
That you have to order

Come on, baby
I'll make it easy
Come on, honey
I'll make it so easy for you

Anything that you want, boy
You know I've got it
Anytime that you need it
You know I'm on it

And whenever you're gone, boy
I just can't stand it
You just make me lose my mind

Hey Mr. postman
Where's the mail for my mailbox?
I wanna sex on the beach
And I don't mean on the rocks

It's your serve, baby
But the ball's in my court
I got a landing strip clear
For you at the airport

Come on, baby
I'll make it easy
Come on, honey
I'll make it so easy for you

Anything that you want, boy
You know I've got it
Anytime that you need it

You know I'm on it

And whenever you're gone, boy
I just can't stand it
You just make me lose my mind

Ohh

Anything that you want, boy
You know I've got it
Anytime that you need it
You know I'm on it

Anything that you want, boy
You know I've got it
Anytime that you need it
You know I'm on it

Ohh

Come on, baby
I'll make it easy
Come on, honey
I'll make it so easy for you
