let me lay it on the line
i gotta little freakiness in side
and you know that a man
has gotta deal with it
i dont care what they say
i'm not about to pay nobodys way
cause its all about the dog in me

(brigde)
i wanna freak in the morning
a freakin the evening
(just like me)
i need a rough neck brother
that satisfy me
(just for me)
if you are that kind of man
cause im that kind of girl
ive gotta freaky secret
everybody sing
cause we dont give a damm
about a thing

(chours)
cause i will be a freak until the day
until the dawn
and we can (pump)
all through the night till
the early morn
come on and i will take you
round the hood on a gangster lean
cause we can (pump)any time of day
it's all good for me

boy your movin kind of slow
you gotta keep it up now there you go
thats just one thing that a man must do
im packin all the flavours you need
i got you shook up on ur knees
cause its all bout the dog in me

(bridge)

(chours)

its all good for me

good for me

i wanna freak in the morning
freak in the evening (just like me)
i need a rough towel
that can satisfy me (just for me)

(repeat ad lib to fade)
