Here come the girls!  
(Girls, girls, girls, girls)  
Here come the girls!  
(Girls, girls, girls, girls)

Here come the girls!  
(Girls, girls, girls, girls)  
Here come the girls!  
(Girls, girls, girls, girls)

Slippin' on my little black dress  
5 inches, I'm bound to impress  
Turn it up, I'm a little temptress

Monroe's got nothin' on me  
Read my curves like poetry  
Tonight we rule the world  
Beware 'cause here come the girls

Here come the girls!  
(Girls, girls, girls, girls)  
Here come the girls!  
(Girls, girls, girls, girls)

Here come the girls!  
(Girls, girls, girls, girls)  
Here come the girls!  
(Girls, girls, girls, girls)

Here they whistle as I walk by  
Shine like a crystal all through the night  
One look will make a grown man cry

Step aside I got a starring role  
Camera, action, here we go  
Tonight we rule the world  
Beware 'cause here come the girls

Here come the girls!  
(Girls, girls, girls, girls)  
Here come the girls!  
(Girls, girls, girls, girls)

Here come the girls!  
(Girls, girls, girls, girls)  
Here come the girls!  
(Girls, girls, girls, girls)

I'm filled with sexuality  
With or without a man, I feel complete  
Stop speculating, I'm a regular girl

All independent women know  
We got the guts to run the show  
Don't let no boy tell you nothing  
You're in control

Here come the girls!  
(Girls, girls, girls, girls)  
Here come the girls!  
(Girls, girls, girls, girls)

Here come the girls!  
(Girls, girls, girls, girls)  
Here come the girls!  
(Girls, girls, girls, girls)

Here come the girls!  
(Girls, girls, girls, girls)  
Here come the girls!  
(Girls, girls, girls, girls)

Here come the girls!  
(Girls, girls, girls, girls)  
Here come the girls!  
(Girls, girls, girls, girls)
