Give it to me now
Give it to me now
Give it to me now (Give it, give-g-give it to me now)
Give it to me now (Give it, give it, get-get-get down)

You've been talking like you wanna hop in and take a spin
On my love, love, love, love...
You say if you had the chance, your hands would be all over me
Just like a glove

But I know you type, and I don't see no style
You get me all revved up just to slow me down
See, you talk a good game, but it's all in your mouth
I'm-a give you one shot, now, baby, lay me out
Won't' you

Give it to me now
Come on in and put it down
Give it to me now
Make me hotter, boy, make me shout
Give it to me now
Come on in and put it down
Give it to me now
Make me hotter, boy, make me

D-d-do what you said
P-put your money where your mouth is
Quit acting scared
P-put your money where your mouth is

You'll be playing round, knocking at the door
If you're not trying to enter-er-er-er
No petting, do come do what you came to do
You wanna find my center-er-er-er

But I know you type, and I don't see no style
You get me all revved up just to slow me down
See, you talk a good game, but it's all in your mouth
I'm-a give you one shot, now, baby, lay me out

Won't' you

Give it to me now
Come on in and put it down
Give it to me now
Make me hotter, boy, make me shout
Give it to me now
Come on in and put it down
Give it to me now
Make me hotter, boy, make me

D-d-do what you said
P-put your money where your mouth is
Quit acting scared
P-put your money where your mouth is

Give it to me now
Give it, give it, get-get-get down
Give it to me now
Give it, give it, get-get-get down

Give it to me now
Come on in and put it down
Give it to me now
Make me hotter, boy, make me shout
Give it to me now
Come on in and put it down
Give it to me now
Make me hotter, boy, make me

D-d-do what you said
P-put your money where your mouth is
Quit acting scared
P-put your money where your mouth is

Do what you said
Put your money where you mouth is
No more talking
Put your money where you mouth is
All in my bed
Put your money where you mouth is
Quit acting scared
Put your money where you mouth is
