Tell me baby, baby  
Tell me baby  
Tell me what you want  
Tell me what you want  
You know you drive me crazy  
Drive me crazy  
I've been waiting all day long  
Waiting all day long

(Amelle)  
I've got a little crush  
Your body's such a rush  
So won't you hurry up  
Cause i want to get right up and own you  
It's getting hot and now  
Why don't you cool me down  
Then i can show you how  
To make a little babe on your own girl

(Chorus)  
Hanging on a star  
I was waiting round to fall in love  
And now i know im ready  
Cause, no matter where you are  
It was you that i was thinking of  
And now that star has fallen  
for you

Listen to me baby  
Listen baby  
Your always on my mind  
Always on my mind  
I know you wanna kiss me  
Wanna kiss me  
Your running out of time  
Running out of time

(Keisha)  
I don't know what you've heard  
Maybe a little bird  
Gave you the wrong idea  
Your not gonna get my number

But they dont have a clue  
How much i feel for you  
So what you wanna do  
Cause im not gonna wait much longer

(Chorus)

Hanging on a star  
I was waiting round to fall in love  
And now i know im ready  
Cause, no matter where you are  
It was you that i was thinking of  
And now that star has fallen  
for you  
Hanging on a star  
I was waiting round to fall in love  
And now i know im ready  
Cause, no matter where you are  
It was you that i was thinking of  
And now that star has fallen  
for you

(Heidi)

Ive been dreaming all day and all night  
Hoping that i will one day have you  
I dont care if its wrong or right  
Will my fantasy ever come true  
Cause im hanging  
hanging  
hanging  
hanging  
Cause im hanging  
hanging  
Im hanging  
hanging

(Chorus)

Hanging on a star  
I was waiting round to fall in love  
And now i know im ready  
Cause, no matter where you are  
It was you that i was thinking of  
And now that star has fallen  
for you  
Hanging on a star  
I was waiting round to fall in love  
And now i know im ready  
Cause, no matter where you are  
It was you that i was thinking of  
And now that star has fallen  
for you
