I'll stop making the eyes at you  
And what it is that surprises me,  
is that I don't really want you too  
And your shoulders are frozen  
(cold as the night)  
Over you're an explosion  
(but you're not in mind)  
Your name isn't Rio,  
but I don't care for sand  
Lighting the fuse might result in a bang,  
with a bang-go!

I've heard that you look good on the dancefloor  
I don't know if you're looking for romance or...  
I don't know what ya looking for  
Well I bet that you look good on the dancefloor  
Dancing to electro-pop like a robot from 1984  
From 1984!

I wish you'd stop ignoring me,  
because you're sending me to despair  
Without a sound yeah you're calling me,  
and I don't think it's very fair  
That your shoulders are frozen  
(cold as the night)  
Oh you're an explosion  
(you're not in mind)  
Your name isn't Rio,  
but I don't care for sand  
Lighting the fuse might result in a bang,  
with a bang-go!

I've heard that you look good on the dancefloor  
I don't know if you're looking for romance or...  
I don't know what ya looking for  
Well I bet that you look good on the dancefloor  
Dancing to electro-pop like a robot from 1984  
From 1984!

Oh there ain't no love no,  
Montagues and Capulets

We just banging tunes 'n' DJ sets 'n'  
Dirty dancefloors  
and dreams of naughtyness!
