Rain Dropping Down On My Skin  
And I'm Drowning Here Inside  
Like I'm Caught In The Wind  
And The Movement Of The Tide  
It Makes Me Shiver...

Sun Crashing In On My Heart  
My Emotions Flipping Round  
Seasons End, As they stop  
Every Time You Let Me Down  
It's Never Over...

Boy I Never Know Which Way to Turn  
Am I Safe In This Place?  
Cause I Can't Seem To Trust What I Feel  
It's So Confuzing...

Fast Like A Hurricane  
That's How My Feelings Change  
Torn Between Sun And Rain  
I Love You Like The Weather

Always The 2 extremes  
Theres nothing inbetween  
Its either black or white  
I love you like the weather...

In This Dilemma Again  
And My Heart Is On The Run  
No One Knows Who To Blame  
And The Story Is Undone  
It's Never Over...

Boy I Never Know Which Way To Turn  
Am I Safe In This Place?  
Cause I Can't Seem To Trust What I Feel  
It's So Confuzing

Fast Like A Hurricane  
That's How My Feelings Change  
Torn Between Sun And Rain.  
I Love You Like The Weather

Always The 2 extremes  
Theres nothing inbetween  
Its either black or white  
I love you like the weather...

I Hate You, I Love You  
I Can't Be Without You  
Is It Wrong Or Is It Right?

I Fall Into Nights  
I Keep Crossing The Line  
Guess I'm Only Human...

Fast Like A Hurricane  
That's How My Feelings Change  
Torn Between Sun And Rain.  
I Love You Like The Weather

Always The 2 extremes  
There's Nothing Inbetween  
Its Either Black Or White  
I Love You Like I Love The Weather
