Last time that I came round
You wouldn't even open the door
I would come round everyday
But you just won't see me no more

How can I make it better
until I know what's wrong?
How can I find the key
until I hear the song?

Bridge
I feel like I'm on fire
but there's nothing I can do
If you gimme some time it will be just fine
If I can talk to you

Chorus
Please can I talk to you
Lets start a negotiation
Please can a stake my view
Start communicatin'
Please can I talk to you
Better show them more
Please can I talk to you
*Look at the future not the past anymore

How can I make it better
until I know what's wrong?
How can I find the key
until I hear the song?

I send you a letter
I send you an email
I send you a text
Whenever is better
don't be an upsetter
just let me know what's best
