She's my everything  
Like a morning girl  
She's my angel up above my world  
She's the only one who understands me  
That's why I call her my new fan league

[chorus]  
She's the only one that I want by my side  
She's the only one that I believe can save my life  
She makes me want to be a better man oh why  
She's higher than the sky  
The suns and the moon

She's like a star, like a star, like a star  
She's like a star, like a star, like a star  
She's like a star, like a star, like a star  
She's like a star, like a star, like a star

[Sugababes]  
Well you inspired me, to chase my wildest dreams  
You mesmerized my world, I'll be your favorite girl  
Like a melody, you release me, just like the greatest  
song  
You are my number one

He's the only one I want by my side  
He's the only one I want by my side  
He's the only one that I believe can save my life  
He makes me want to be a better girl or wife

Hey, she higher than the sky the suns and the moon

She's like a star, like a star, like a star.  
Oh baby, he's like a star  
Ooh baby, she's like a star  
Oh baby, he's like a star
