Yeah, yeah  
Yeah, yeah

We've passed the red light  
And I've got no fight  
Moving in a mad rush  
No limit I can't stop  
We're into overdrive

Hopelessly into you  
'Cause you know how to  
Unwrap my feelings 'til I've  
Opened up from inside  
No reason to be shy  
Every reason to be mine

Nothing's really sane but everything's amazing  
Slowly taking over me  
Baby have you noticed, the sky is rearranging  
I feel it move in me

Oh, the ground beneath us trembles and we fall  
So I wonder, will we fall?  
'Cause I don't want to be alone  
Yeah, yeah

Caught up in a spiral

I tremble and rush  
The moment we touch  
Breaking out a hot sweat's  
As good as it gets  
I can't get enough  
Fall into a head space  
Deep into a new place  
Spinning out of control  
You should know  
I don't want to be safe  
Every reason to be mine

Nothing's really sane but everything's amazing  
Slowly taking over me

Baby have you noticed, the sky is rearranging  
I feel it move in me

Oh (oh oh oh oh)  
The ground beneath us trembles and we fall  
(Ah ah ah ah ah)  
So I wonder, will we fall?  
(Ah ah ah ah ah)  
'Cause I don't want to be alone

Yeah, yeah  
It feels like I'm shaking up  
Took all cool to fight it up  
Uh uh  
All I am is mesmerized  
Mmh Mmh  
Can't believe what's happening,  
Polarised (yeah)

Nothing's really sane but everything's amazing  
Slowly taking over me  
Baby have you noticed, the sky is rearranging  
I feel it move in me (Yeah yeah)

Oh (oh oh oh oh)  
The ground beneath us trembles and we fall (we fall)  
(Ah ah ah ah ah)  
So I wonder, will we fall?  
(Ah ah ah ah ah)  
'Cause I don't want to be alone

Yeah, yeah

Da da da, da da da, da da da ,da  
Spiral  
Da da da, da da da, da da da ,da  
(Yeah, yeah) I'm caught up in a spiral  
Da da da, da da da, da da da ,da  
I'm caught up in a spiral  
Da da da, da da da, da da da ,da

Yeah, yeah
