Whenever I hear goodbye
Remind me baby of you
I break down and cry
Next time I'll be true, yeah
Fever for lost romance
Remind me baby of you
I took a crazy chance
Next time I'll be true, I'll be true, I'll be true

Footsteps on the dance floor
Reminds me baby of you
Teardrops in my eyes
Next time I'll be true, yeah
Whispers in the powder room
She cries on every tune, every tune, every tune

And the music don't feel like it did when I felt it with you
(felt it with you)
Nothing that I do or feel ever feels like I felt it with you
(And the music)
(And the music)

When I'm dancin' 'round
Remind me baby of you
I really let you down
Next time I'll be true, yeah
I took a crazy chance
She cries on every tune, every tune, every tune

Footsteps on the dance floor
Reminds me baby of you
Teardrops in my eyes
Next time I'll be true, yeah
Whispers in the powder room
She cries on every tune, every tune, every tune

And the music don't feel like it did when I felt it with you
(felt it with you)
Nothing that I do or feel ever feels like I felt it with you
(And the music)
(And the music)

Hurting deep inside (hurt deep inside)
She cries on every tune
I break down and cry (break down and cry)
She cries on every tune, every tune, every tune

(And the music) Don't feel like it did
When I felt it with you
(And the music) Don't feel like it did
(And the music) Oh, woah woah, oh, woah woah
(And the music)
Music, music
And the music don't feel like it did when I felt it with you
