Walk this way you wanna talk this way  
Walk this way you wanna talk this way  
Walk this way you wanna talk this way  
Walk this way you wanna talk this way  
Sad strong lover hidin' under covers  
Till I talked to your daddy, say  
"You ain't seen nothin' till you're down on a muffin  
An I'm sure I can change your ways"  
Then I met a cheerleader, was a real young pleaser  
Oh, the times I could reminisce  
'Cause the best thing of loving' was her brother and her  
cousin  
Only started with a little kiss  
Like this!  
walk this way, talk this way  
walk this way, talk this way  
walk this way, talk this way  
walk this way, talk this way

Schoolgirl hottie with a classy kinda sassy  
Little skirt's climbing' way up her knees  
Three young ladies in the school gym locker  
I noticed they was looking' at me  
I was a high school loser, never made it with a fella  
Till ma girls told me something' I missed  
My next door neighbour with a son had a favour  
So I gave him just a little kiss  
Like this!  
Walk this way, you wanna talk this way  
Walk this way, you wanna talk this way  
Walk this way (walk this way), talk this way (talk this

Like, la like, la like, like, like this  
See-saw swinging' with the boys in the school  
And her feet flying' up in the air  
Singing' "hey diddle diddle"  
With the kitty in the middle  
You'll be swinging like you just don't care  
So I took a big chance at the high school dance  
With a boy he was ready to play  
Was it me he was fooling  
'Cause he knew what he was doing'  
When he told me how to walk this way.
