"Who"

Visit "[Who](#)" on MotoLyrics.com

Every minute passes by
You're always talking
Makes me cry
Finding out the reasons why
I'm needing space get out my ride
Talking about what I do, where I go, who I'm with and
why I don't bring you
Think about the times you pushed me
Saying "baby please don't go"
You make me sick
Yeah, yeah

I'll make you lost in
Times before you break my small
You claim you love me, tease me, leave me, hold me,
please me
Get off I'm movin on
Cos I'm tryin to take control

[Chorus:]

But it's you talking dirty
When I'm trying to sleep
And it's you, said you love me
After just one week
Tell me who's always calling on my telephone
Now it's you tryin to tell me
We should take things slow

And you said: "don't go, don't go, please don't go
Please don't leave me, on my own
Don't go, don't go, please don't go
Please don't leave me, on my own"

You're creepin, sneaking, cheating, on me
Leavin, this round,
Gotta end the strike cos it ain't going down
Now you wanna come back, claim you give me a track
I forgive what you do then you want it back
I'm sick of playing this game
I ain't sticking with a claim fame
Stop this, right now
You crossed the line so baby get the hell out

[Chorus:]

But it's you talking dirty
When I'm trying to sleep
And it's you, said you love me
After just one week (just one week yeah)
Tell me who's always calling on my telephone
Now it's you tryin to tell me
We should take things slow (take things slow)

[Chorus:]

But it's you talking dirty
When I'm trying to sleep (yeah)
And it's you, said you love me
After just one week (just one week yeah yeah)
Tell me who's always calling on my telephone
(telephone)
Now it's you tryin to tell me
We should take things slow (take things slow)

And you said: "don't go, don't go, please don't go (no)
Please don't leave me, on my own (please don't)
Don't go, don't go, please don't go (oh)
Please don't leave me, on my own" (on my own)

Make up your mind boy
Silly games you're always playing
Have no time boy
To sit and chase you
I ain't staying
Well, thinking it's funny
Well, you're spending money
And, every time you wanna get the upper hand
remember
I'll be walking away looking cool with my
Matching bag and the jewels that I took
Don't you ever say it's not necessary
Then beg to come back
I ain't having that
Ooh whoa

[Chorus:]

But it's you talking dirty
When I'm trying to sleep
And it's you, said you love me
After just one week
Tell me who's always calling on my telephone
Now it's you tryin to tell me
We should take things slow (take things slow)

[Chorus:]

But it's you talking dirty
When I'm trying to sleep
And it's you, said you love me
After just one week (just one week)
Tell me who's always calling on my telephone
(Yes it's you) Now it's you tryin to tell me
We should take things slow (take things slow)

And you said: "don't go, don't go (don't go), please
don't go (oh no)
Please don't leave me (on my own), on my own
Don't go, don't go (don't go), please don't go (oh no)
Please don't leave me, on my own" (on my own)
