Ooooooh

I was waiting for the 7 at a quarter to 11 and he just  
walked on by

He took my by surprise coz I didn't know why  
I felt shivers up and down my spine  
I wonder if he knows what we gonna do  
He's so damn fine I've got to make my move

He's a winner, he's number one  
He doesn't know it but I got to get me some  
He's got the rhythm, the motion, to keep a girl coming  
til she can't get enough

Gotta pull myself together kinda nervous, whatever  
gotta let him know whats on my mind  
Get a hold of my composure as i saw him walking over  
this kinda guy is hard to find

And I wonder if he knows what we gonna do  
Coz he's so damn fine I've got to make my move

He's a winner, he's number one

He doesnt know it but i gotta get me some  
He's got the rhythm, the motion, to keep a girl coming  
til she can't get enough

Coz he's so damn fine I've got to make my move

Ooooh to find  
(what we could do, yeah, what we could do)  
oohhh ooooooohh

Coz he's so damn fine Ive got to make my move

He's a winner, he's number one  
He doesnt know it but i gotta get me some  
He's got the rhythm, the motion, to keep a girl coming  
til she can't get enough (repeat)

By Mitchell ;) and Sarah :)
