"Break Through"

Love, love will make the distance
It's song riding through the moors
Of all that's lost

Hope, the flag that leads the mission
Flying over rain and foe
To rescue me from harm

I see my love, see my love
With might to save
Scale the walls of yesterday
Break through
Be my joy, be my joy
Charge this path and
Storm the tower of my heart
For only You can break through
To me

Love, the banquet for the famished
It's song rising through these halls
To fill my heart

Hope the banner in my anguish
Writing words of faith
Erasing thoughts of a darkened soul

I see my love, see my love
With might to save
Scale the walls of yesterday
Break through
See my joy, see my joy
Charge this path and
Storm the tower of my heart
For only You can break through

Let the choir sing
Listen to the angels

Fill the chapel
Singing adulation
Let the bells ring
